About the Round:

The Eleven Mile Music Performers Round is excited to be accepting member applications.

The Round will be comprised of select members of the musical entertainment community and promoted as “The Artist of Artist” capable of putting on a professional performance and of course drawing a crowd for the clients that book “The Round”

We will be booking The Round initially to perform at The Celtic Tavern in Old Town Conyers on Friday or Saturday evenings. Our bookings will not, however be limited to Old Town Conyers.

The evenings Round will consist of two to three members of The Round that will perform normally from 8pm until 12pm. The Round members performing will be paid equally for the evening’s performance and of course split evenly the evenings tip proceeds.

Please understand that selection will be based on performance ability and professionalism, considering each round member will be required to play an hour to an hour and a half, mixing it up with the other Round performers of the evening. We are marketing The Round as a professional group of entertainers who simply love what they do.

Benefits of being a member of the Round:
